Marking, Assessment and Feedback

Over the course of an academic year students will complete a number of formal assessments, these will be used to assess where students are in their learning journey. Details of this are on the page above.

Information from these assessments could be used when making decisions regarding setting of students, reporting progress home and predicting outcomes. In MFL, students are assessed across all four skills of Listening, Reading, Writing and Speaking. During lessons, we will evaluate students' learning through a range of activities including quizzes, class discussions, detailed questioning and other strategies. Through this, students will know where they are in their learning journey and what they need to do next to make further progress. Written feedback in books coincides with assessed pieces.

Homework

Homework will be set using the online platform Go4Schools.

Homework tasks are designed to prepare students for future learning or consolidate work completed in the classroom. It will be clear what should be handed in, when it should be handed in and how it should be handed in.

At KS3 Kerboodle will be used to help students learn vocabulary and practice grammatical points.
