March 2025

Dear Parent/Carer,

## Re: Science Revision Guides

Due to popular demand, we have readvertised the Science Revision Guides. These are the **same Revision Guides and workbooks** that were advertised in October, and of course, it is optional to buy these.

As well as the Revision Guides, there are also Exam Practice Workbooks and Question Cards available to buy which will give the pupils additional support.

We are offering these revision aids via ParentPay Shop, please see prices below. You can access the ParentPay Shop by clicking [here](#) or by visiting the Parents section on the Gilbert website.

Guide	Price
GCSE Combined Science For Edexcel Revision Guides	£6.35
GCSE Combined Science For Edexcel Exam Practice Workbooks	£7.10
GCSE Biology For Edexcel Revision Guide (same price for Physics or Chemistry)	£3.30
GCSE Biology For Edexcel Exam Practice Workbooks (same price for Physics or Chemistry)	£4.30

There are also revision bundles, which comprise of the Revision Guides, the Workbooks and Question Cards. Unfortunately, the prices for the bundles have been increased by the publishers, and so the prices have gone up slightly from what they were in October. The prices of the revision bundles are as follows:

GCSE Combined revision bundle	£18.25
GCSE Biology revision bundle (it is the same price for Physics or Chemistry)	£10.15

Each of the revision books is available as both Higher and Foundation tier – your child should know which tier best suits them but, for guidance, please remind your child to ask their teacher if unsure.

Generally, Sets 1 to 3 will use Higher tier, Set 4 will use Foundation or Higher (please check with class teacher) and Sets 5 and 6 will use Foundation tier

For year 9 pupils, if your child is thinking of opting for separate Sciences as GCSEs, they should talk to their teachers first about which Revision Guides would be best to buy.

We would like to place the initial order for Revision Guides as soon as possible, so please place your order by Monday 17<sup>th</sup> March 2025. We will endeavour to distribute the Revision Guides as soon as they are delivered to the school, but please do allow at least a week after the cut-off date for this to happen.

If you need any further information about this, or any other aspect of your child's education in Science, please do not hesitate to contact me or your child's Science teacher.

Yours faithfully,

Mrs C Allen  
Head of Science
