Dear Parent/Carer

It is pleasing to see how well the Year 10's have settled into the demands of GCSE subjects this term. Many students are engaging in co-curricular activities to broaden their experience at The Gilbert School. Students have been busy finding their own work experience placements as well as finalising their personal statements, in preparation for the mock interviews that will take place in the New Year. The mock RE examination takes place on Tuesday 10th December – we wish them all the best of luck for this examination.

Your child's Autumn Term report is now ready to access by going to [Login : GO 4 Parents and Guardians \(go4schools.com\)](#). Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress. **Please note that our school does not yet use the Go4Schools app for reporting.**

Your child's teachers, Form Tutor and I will use the reports to monitor and support your child's progress and learning. Their Form Tutor will also discuss the report with your child and set appropriate targets over the next few weeks. In addition to the ongoing process of mentoring and support by Subject Teams and Year Teams, students also receive individual mentoring from their Form Tutor at least once each year.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on The Gilbert School website. If the frequently asked questions are unable to answer your query then please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mrs N Burman
