Dear Parent/Carers

RE: Year 11 GCSE Science revision sessions

Year 11 students are preparing for their first set of mock exams. The Science exams take place on the dates and times below.

Biology Paper 1	11.12.2024 PM
Chemistry Paper 1	12.12.2024 AM
Physics Paper 1	19.12.2024 AM

To help pupils to prepare for these exams (and the summer GCSEs), after school science revision will begin after half term.

Science revision will run from 15:30 every Thursday, for approximately one hour.

We will be following a 'menu' so pupils can select the session that they find most useful to attend. They do not need to attend the session run by their teacher.

I have included a list of the topics of all the revision sessions and rooms on the next page, and would ask you to encourage your child to attend these sessions.

Thank you for your continued support.

Yours faithfully

Erica Watts
KS4 Science coordinator
