Dear Parent/Carer

RE: Science A level 'Taster Sessions' – 3:30pm – 4:30pm

Year 11 students are currently making some big decisions regarding their Post-16 education.

To support them during this time, the Science faculty are running A level taster sessions to give students an experience of studying A level Sciences. This will be an opportunity to 'try before you apply'.

There will be 3 separate sessions, one for each subject and will take place as follows:-

Biology Thursday 10th October (Room 16)
Chemistry Thursday 17th October (Room 12)
Physics Thursday 24th October (Room 8)

All sessions will run from **3:30pm – 4:30pm** and will be led by a subject specialist. **Please note that numbers will be limited.**

To reserve a place, students should complete the sign-up sheet with me in room 11, at any break or lunch time.

If you need any further information about this, please do not hesitate to contact me via ewa@gilberd.com.

Thank you for your continued support.

Yours faithfully

Mrs E Watts
Teacher of Science
