

The Gilbert School

Ref: SBA/JAT

September 2024

Dear Parent/Carer

It is an exciting and often demanding time as your child faces some big decisions regarding their Post-16 education. In order to support our students during this time we have a number of things planned. They will be working on personal statements with their form tutors during tutor time as well as receiving a series of assemblies with the various providers around this area over the coming weeks.

There is also the opportunity to discuss any concerns and the application process with your child's form tutor at the upcoming online Tutor Evening on the 25th September. We would also invite you to attend our Year 11 Information Evening on the 16th October. This is swiftly followed by the Open Evenings being held by the Post-16 providers the following week.

When your child is applying to their Post-16 providers, one of the requirements will be to provide their predicted grades. Our usual forecasts reported to you are the most likely grade your child will get if they continue working as they have been. We have asked the teachers to predict the best possible grade that your child could get from this point on so it can be used on their application forms.

I am pleased to inform you that your child's Post-16 forecast grades are now available for you to access. Please access [Login : GO 4 Parents and Guardians \(go4schools.com\)](https://www.go4schools.com).

If you have any questions regarding either your child's report or their learning, please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mr S Banham
Head of Year 11

Headteacher: Mrs L E Exley
