February 2025

Dear Parent/Carer

As we conclude the first half of the Spring Term, I am pleased to share with you the second round of reports for our Year 7 students. This term has been filled with significant progress and achievements, and it is wonderful to see how our students have continued to grow both academically and personally. The reports provide a comprehensive overview of their performance, highlighting both their strengths and areas for further development in their subjects, as well as their engagement with our extracurricular activities. The enthusiasm and commitment our Year 7 pupils have shown in participating in everything the school has to offer have been truly impressive, and we are very proud of their successes to date.

We would also like to extend our heartfelt thanks to you for your continued support and involvement in your child's education.

Your child's Spring Term school report is now ready to access on the Go4Schools website. Unfortunately, reports are not currently available through the Go4Schools app at this time. Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress. We are piloting a new report format that includes details on your child's participation in co-curricular activities and leadership opportunities. Please note that these sections of the report are a work in progress and may not be entirely accurate. Additionally, as it takes several weeks to generate, some data may be slightly out-of-date.

Your child's teachers, form tutor and I will use the reports to monitor and support your child's progress and learning. Their form tutor will also discuss the report with your child and set appropriate targets over the next few weeks. Some of the subjects will not have a homework profile yet. This will be due to either the practical nature of the subject or the number of lessons per fortnight.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on the Gilbert School website in the Parents Section in **Parent FAQ**. If the frequently asked questions are unable to answer your query, then please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mr M Wilby
Head of Year 7

Headteacher: Mr J Mitchell
