Business Case Study Challenges

PWCs Business Case Study Challenges aim to simulate some of the work that PwC does and have been designed by client-facing staff. Students are presented with a fictional client and business challenge that they must solve. They must work together using the resource pack provided to agree upon a recommendation to solve the challenge and then pitch to the client to win a bid.

A Postcard from PwC How studying Business has helped me at Price Waterhouse Coopers:

Careers with PwC

- Actuarial
- Audit
- Consulting
- Deals
- Legal
- Risk Assurance
- Tax
- Technology

5 WORK SKILLS BUSINESS WILL GIVE YOU

DECISION MAKING

In school: You'll learn about all the factors you need to consider when making a decision. This will include using data to inform decisions, as well as other influences you need to consider. These can include ethics or constraints on resources. You'll also explore decision making in different areas of business...

Where can it take me? Itaquibus nonet incipsametur ma qui volorro tem eturios sit, utemped ipsamustet ad mos nestium.

PEOPLE SKILLS

In school: Explore what managers should do and what techniques they can use to manage their teams. You'll learn about different leadership strategies. You'll also look at different relationships within businesses, such as between managers and stakeholders.

Where can it take me? Itaquibus nonet incipsametur ma qui volorro tem eturios sit, utemped ipsamustet ad mos nestium.

CRITICAL THINKING

In school: You'll learn about where to find different sources of information to help you evaluate a company's performance. You will need to assess each of these to work out how relevant it is and how it ties in with other information you have.

Where can it take me? Itaquibus nonet incipsametur ma qui volorro tem eturios sit, utemped ipsamustet ad mos nestium.

COMMERCIAL AWARENESS

In school: You'll learn about different forms of business and how they operate. You'll also develop your understanding of the wider business environment and the how this affects business performance.

Where can it take me? Itaquibus nonet incipsametur ma qui volorro tem eturios sit, utemped ipsamustet ad mos nestium.

TIME MANAGEMENT

In school: When you study business you'll often be juggling several projects at once. You'll learn how to prioritise your workload to make best use of your time. Being able to balance several projects at once is a useful skill to master.

Where can it take me? Itaquibus nonet incipsametur ma qui volorro tem eturios sit, utemped ipsamustet ad mos nestium.
